
From the Principal’s desk

Dear Parents/Caregivers

I hope you enjoyed quality family time during the school holidays as we are now into term 3 of the school year. A Term Planner was sent home at the end of last term to assist you with up and coming school activities. If you don’t have one we have attached a link to this edition of the newsletter.

Academic Reports

Semester One reports were emailed to parents last term and the transition was a smooth one. If you didn’t receive your child’s report, please contact the office. All Student Portfolios (red folders), are now due back at school. Please return them to your child’s classroom teacher.

Our school recently participated in a school review involving 3 auditors looking closely at our systems and processes over 3 days. The Executive Summary is on our school website for perusal and findings will assist us with our future four year plan, moving forward later this year. Also on our school website is our School Annual Report for 2015.

Same Day Absence Notifications

By the end of this year, all schools in QLD are to have in place a system where parents are notified on the same day that their child hasn’t presented at school. Parents of students currently In Care will be notified by the school on the same day starting immediately. All other students will be notified on the same day by the end of this school year. We are currently researching which is the best system to link teacher electronic roll marking with parent phones. Rolls are currently marked by teachers at 9am and 2pm every day. If your child is not at school by 9am they will initially be marked absent. Classes start at 8.55am.

School Fete

Our school fete is on the 30th of July from 9am until 3pm. Come along, bring your friends and support our school this year at a fete that has plenty to offer.

Grade 6 Camp

The grade 6 camp to Tallebudgera Beach School is on the 10th of October and fees are due by the 30th of August. Ensure your child does not miss out on this fantastic experience. Payment plans are available and need to be negotiated with Mrs Murphy our Business Service Manager, in the office, prior to this date.

Grade 5 Camp

Camp Stradie is on again for grade 5 students on the week of the 24th of October. Camp fees will be $180 all inclusive and details will be coming home soon.

Two Minute Zone

It’s great to see parents obeying the rules at the front of the school in the 2 minute pickup zone. The rules are simple: You can only stop for 2 minutes, you don’t leave your car and you roll to the front when the car in front of you drives away. Please ensure you don’t block private driveways while lining up to get into the pickup zone.

Craig Douglas
Principal
Deputy Chat

Loreyse Agnew-Green

Prep 2017 Information Evening

On Wednesday 20 July we will have Prep Evening for Parents enrolling their children at Birkdale South in 2017. On this occasion we introduce staff members, briefly explain learning in Prep and discuss routines and what to expect. This year we will also be introducing the inclusion of one (1) Prep Class in our BYOiPad Program for 2017.

On the evening, parents will be able to sign up for their parent interview later in the term, return enrolment forms and collect the BYOiPad Charter to be completed and returned to school on a “first in” basis. For those unable to attend a copy will be emailed to you after the evening. We look forward to seeing parents on the night. The Pre-Prep Program begins on Tuesday 26 July.

Program Alive

Drama will again be offered in Term 3 for students keen to develop their skills in these areas. Please note that Drama is now at a time before school and chess is run as a workshop.

We are pleased that Program Alive offers these programs with the endorsement of the P&C.

School Photos

School Photos are due to be taken on Wednesday 27 July. Teachers will be taken before school at 8:15am. Classes then make their way to the hall between 9am and 1pm for their class photos.

Envelopes have been sent home, please follow the instructions on the envelope. The envelope must be returned to school complete on or before Wednesday 27. Payment can occur online or in/on the envelope. Each child will have their envelope with them on photo day.

School Fete – Side Show Alley

Notes went home with students in year 5 and 6 asking for parent permission for students to assist with running the games. Please return permissions to the Office ASAP so a roster can be drawn up. Adult volunteers are also welcome at Sideshow Alley.

Curriculum

Fiona Lane HOC

Reading Strategy: Voracious Reading (Fluency)

Each fortnight I will be introducing a reading strategy that aligns with our Birkdale South Reading Framework. Our strategies are based on the work of Gail Boushey, Joan Moser (The Café Book) and Sheena Cameron. Every student at BSSS will have a reading goal based on the one of the following components of reading: Comprehension, Accuracy, Fluency or Expanding Vocabulary. Once each student knows what their focus is we have a list (Menu) of strategies that they can use to help them work towards improving this component.

This week’s strategy can help with the component of FLUENCY and EXPANDING VOCABULARY

Fluency is the ability to read, speak, or write smoothly and with expression. The best way to become a fluent reader is through reading, and the amount a child reads has a huge impact on their success in becoming a fluent reader.

The word voracious (vo*ra*cious) means to do a lot of something and still want more of it. Students know that by reading, reading and more reading, they will become smooth readers that others will enjoy listening to, and that they are able to learn new words and increase their vocabulary. When students become smooth readers it can lead to increased comprehension and broadened vocabularies.

How can I help at home?

Encourage your child to read more at home. Start by finding a genre or style of book your child is interested in, tapping into a reader’s interests creates voracious readers. Allow them to include various text types which might include magazines, comics, picture books, novels, fiction and non-fiction.

Add a few extra minutes to their regular reading time – talk about building their reading stamina, all classes have been working on building reading stamina (we are aiming for at least 15 minutes of solid reading time with no distractions or breaks in their concentration). Model this to your child by taking out your own book at the same time they are reading, use a timer to track their stamina.

Premier’s Reading Challenge

Students are working hard at completing their challenge. Teachers have been reminding them to log their reading progress on their recording sheets. Please continue to encourage your child to read and return their completed sheets to their class teachers.

Not sure what books your children should be reading – have a look at the following web address below. This has lists of appropriate texts for each age group.

Class Reading Menu
Positive Behaviour for Learning

PBL Team

PBL provides a framework for schools to develop data-based decisions in relation to developing and sustaining effective and efficient academic and behaviour systems to support staff and students in their schools. At the end of last term we underwent an audit for our PBL procedures from an external auditor where a selection of school staff and students were interviewed on their knowledge of PBL. The graph summarises the Schoolwide Evaluation Tool (SET) which outlines the main focus areas of the PBL program and shows how we have improved our processes over the last 3 years. The following feedback was received from the external auditor:

- Students demonstrated good knowledge of the school rules and rewards system.
- Staff all appeared to have a clear understanding of the school’s PBL processes including student time out, buddy classroom use, use of bee stings, and reinforcement of school expectations with lessons.
- Very impressed with staff knowledge and ability to recall lockdown procedure. Start and all-clear signals well known
- Overall, it appeared that Birkdale South SS has worked hard with implementing PBL. Congratulations!

Deadly News

Kim Paulson

Yura everyone

The BSSS Jajam dancers had an opportunity to perform at Ormiston State School’s assembly last term as part of their National Reconciliation week. As the Jajams were getting ready to perform in front of another school for the first time they certainly didn’t show any nerves but for some the excitement was a lot to contain. Mrs Green and I were as proud of them as we some of their parents that came along to support. Twenty-three students make up the Jajam dance group and it takes a lot of energy to get them ready. A big thank you to our helpers Maryann, Tavina, Tiania, Cara, Chappy John and Mrs Green. Our next performance will be at BS55 school fete. Remember to ‘stay Strong and stay Deadly’.

NAIDOC - This week we will celebrate NAIDOC Week at Birkdale South. The real NAIDOC Week takes place in the week of 3-9 July, which usually overlaps with the school holidays. The theme for 2016 is “Songlines”, please see the beautiful poster attached. To celebrate NAIDOC we are focusing on Tuesday 19 July, when we have the performance, “Island Dreaming” from Phil Geia. On this day all students can come along in free dress we suggest the Aboriginal colours of Red, Yellow & Black OR Torres Strait Island colours of Blue Green & White. The collection of gold coins for free dress will be placed on the pavement art of “songlines” between the office and tuckshop. All funds raised will go toward costumes for our Jarjum Dancers and cultural experiences for all students. We hope students will participate and share their songlines.

There were some great local events. NAIDOC also kicks off the Quandamooka Festival, which runs through to September. This year Stephen Page from Bangarra Dance Company was awarded a “lifetime achievement award”, Professor Chris Sarra “Person of the Year” was recognized for his work in Education and Gurrumul (blind musician), “Artist of the Year”. Locally, there will be a gallery opening on Friday 29 July entitled “Catching Light”. CATCHING Light is an installation of woven stars for the One Million Stars to End Violence project, created by local artist and weaver, Maryann Talia Pau (a BS55 parent). The goal is to weave one million stars for a major display at the Gold Coast 2018 Commonwealth Games. There will be more on this project in upcoming newsletters.

Workplace Health and Safety

Narelle Davy

Text Neck

Our heads weigh about four to five kilos but angled at around 30 degrees – as they are to read a phone or iPad – this increases to around 18kg, placing increased pressure on our neck.

To prevent neck pain, take regular screen breaks. Looking straight ahead while tucking the chin towards the neck every few minutes and rotating the shoulders with your arms by your side can also help. Sitting straight and holding your phone or iPad a little higher is the best bet.

Cold Weather

Be prepared and make sure students pack or wear a jumper to school now the weather is getting colder. We have very limited supplies of spare clothes. If your student is provided with any spare clothing could you please wash and return to the school asap. Thank you.
Classroom Spotlight

Lower School – Prep to 3
Fostering Learning through Inquiry in Prep

Looking back... We had a wonderful time during Term 2 in our Science unit with our investigations into living things and their needs. The preppies really enjoyed watching plants grow (or not!) and engaging in activities to learn about a variety of different animals. Our Living Things Incursion was a fabulous success and provided many opportunities for the students to learn through active engagement.

Looking forward... In Term 3, Prep C and Prep D teachers and students will be working together cooperatively. We will be continuing to use investigation in Science, learning about the weather and how it influences our lifestyles. We will also use investigative learning in maths and have recently been working on solving open ended problems with Miss Jess. It has been great to see our students demonstrating their ability to think logically and creatively.

Upper School – 4 to 6
Holiday recount

Year 4 had a well-deserved holiday and were very keen to jump back into learning. They wrote a recount of their holidays as a lead in to the new English unit on historical recounts.

Specialist Highlights

Music
Liz Cox - Classroom Music, Joanne Wolfe – Band Program, Julie Schmidt – Strings Program

Classroom Spotlight

This week we are featuring 2/3E. They have been practicing The Happy African song on xylophones as a performance item. Students have also been singing, In a Dark Wood, and creating spooky sounds using the percussion instruments.

Upcoming events
School Fete

There will be a combined Choir performance at the school Fete on Saturday, July 30th. The students will need to meet in the music room at 9:30 for a quick vocal warm up before going to the Hall to perform at 10 am. Students in Senior and Boys choirs will need to wear their uniform and then change afterwards to enjoy the rest of the fun at the fair.
Musical – ‘Go Geoffrey Go’

In Term 3 Birkdale South SS will be presenting the musical Go Geoffrey Go. All students will be involved in the performance. Prep and Year 1 parents are asked to please send in these items after the school holidays, in a clearly named plastic bag, to their class teacher:

- **Prep** – Bright yellow t-shirt – for painting/screen printing
- **Yr 1** – Plain white t-shirt – for tie-dying

All other students are to bring in their items in week 9, in a clearly named plastic bag, to their class teacher:

- **Yr 2** – Beachwear, glasses, floaties, sunhats
- **Yr 3** – black t-shirt, black shorts/black sports knickers/skins
- **Yr 4** - animal onesie or plain coloured T-shirt and shorts
- **Yr 5** – Black wool – any reggae accessories including black, red, green, yellow clothing items, sun glasses, caps
- **Yr 6** – sparkly disco wear

**Junior Premiere Concert**

Congratulations to all of the students who participated in the Junior Premier concert. It was an excellent display of the talent we have at the school, in both Visual and Performing Arts. Special thanks to the Junior Strings, Junior Choir, Boys Choir and the Band for their fabulous playing and singing, and of course, thank you to Miss Schmidt, Ms Wolfe and Mrs C who conducted the groups.

**Sylvan Woods Retirement Village**

Senior Choir students and selected performers are invited to present a programme at the local nursing home, Sylvan Woods, on Friday July 29th at 10.00am. This is a wonderful opportunity for students to share their talent with the community. This excursion is at no cost to students. A permission note will be sent home in week 1 and needs to be returned to Mrs C in the music room by Wednesday July 27th 2016. Students will need to wear their choir uniform and bring a hat and drink bottle.

**Music News**

- Congratulations to Miss Gibbs who welcomed baby Rocco into the world on July 10th. Both mum and baby are doing well.
- Band and String Lessons and Rehearsals this week
- Beginner’s Music Week for band students

**Library**

**Jean Schenk**

**Japanese and Book Week**

During Week 3 we will be celebrating Japanese Week in the library during break times. All students are welcome to come along and join in. Some activities will be kite making, origami, colouring in and dress ups.

This term we will be celebrating Children’s Book Week with a parade on Monday 15th August. Students can come dressed as their favourite book character, so start planning your costumes now.

**Language**

**Ryan Sensei**

**Welcome back!**

This term students have new topics, which means new vocabulary and sentence structures and the revision of some old language.

Year 5 will be learning about animals. They will learn the names of a number of animals – pets, in the zoo, on the farm and in the sea. Students will be able to describe and illustrate animals in readiness for the major term assessment which is a reading comprehension. They will also be investigating animals specifically relevant to Japan.

Year 6 students will concentrate on hobbies and sport, where they will learn to read and talk about their likes, dislikes and skills related to sports. How convenient is it that the Olympics are also on this term!!! To achieve this they will use both new sentence structures and vocabulary in addition to previously practised language. Major assessment will be a reading comprehension.

This term we will again be hosting Japanese teaching assistants. There are 2 students confirmed so far, a male and a female and they will be at BSSS for a total of 3 weeks. Our students have enjoyed the company of previous visitors and the interaction has a positive impact on language learning and cultural understanding and appreciation.

**Sport and Physical Education**

**Dean Johnson and Yvette Butterworth**

**4-6 Athletics Day Results**

Here are the results from our 4-6 Athletics Day.
Congratulations to **Wattle** for winning our 4-6 Athletics Day!

**Athletics Age Champions**

Congratulations to our 4-6 athletics age champions for 2016. These students will be presented their certificates on the next 4-6 parade in week 3. They will also be presented with their age champion medals during the 2016 Sports Parade at the end of the year.

**Soccer**

A junior and a senior soccer team were selected to compete in a knock-out competition to represent the Bayside District. Our junior team played extremely well against Wellington Point SS in a very difficult match but unfortunately lost 0-1.

The senior team have been successful in all three of their qualifier matches so far. Well done boys for making it as far as you have.

**Interschool Sport**

We finished off our final round of interschool sport during the last weeks of Term 2. Well done to all teams for their commitment to training and competing in these events. A special thank you goes to Miss Dabelstein, Mrs Buxton, Miss Thompson and Mr Johnson for giving up their time to coach our teams.

Our netball teams trained hard and worked together as a team in all competition matches. They players some very strong teams and should be proud of their efforts.

Both our junior soccer teams went through the competition undefeated. Our Junior Boys team had no goals scored against them in any game.

Our senior soccer teams played extremely well. The senior A team also finished undefeated with no goals scored against them.

**Reminder**

- Athletics training will continue on Monday, Tuesday, Thursday and Friday mornings at 8:00am sharp.
- Please return *Project Consent* forms for students selected for district sport trials ASAP.
- Adventure Days will now be in week 9 of this term.

**Support Team**

**The National Disability Insurance Scheme (NDIS)**

The National Disability Insurance Scheme (NDIS) is the new way of providing support for Australians with disability, their families and carers. As an insurance scheme, the NDIS takes a lifelong approach, investing in people with disability early to improve their outcomes later in life.

The NDIS is a big change and will be progressively rolled out in Queensland over three years from 1 July 2016. People will move to the NDIS at different times depending on where they live. The NDIS will be operating state-wide by July 2019. Introduction will be in Brisbane between 1 July 2018 and 30 June 2019.

The NDIS provides eligible people a flexible, whole-of-life approach to the support needed to pursue their goals and aspirations and participate in daily life.

If you currently receive disability services you will be contacted before your area transitions. If you are not currently receiving services you will be able to apply to access the Scheme when the NDIS is available in your area.

The NDIS helps people with disability to:

**Access mainstream services and supports**

These are the services available for all Australians from people like doctors or teachers through the health and education systems. It also covers areas like public housing and the justice and aged care systems.

**Access community services and supports**

These are activities and services available to everyone in a community, such as sports clubs, community groups, libraries or charities.

**Maintain informal support arrangements**

This is help people get from their family and friends. It is support people don’t pay for and is generally part of most people’s lives.

**Receive reasonable and necessary funded supports**

The NDIS can pay for supports that are reasonable and necessary. This means they are related to a person’s disability and are required for them to live an ordinary life and achieve their goals.
**Finance and Admin**

**Megan Murphy**

**Prep 2017 Enrolments**

If you haven’t already done so, please put your child’s name down for Prep next year. We communicate upcoming events via email, so come along to the office to put your details on our list.

**Upcoming events are:**

- **Prep Information Night** – Wednesday 20 July 6pm in Hall
- **Pre Prep Program** – starts Tuesday 26 July 9-11am
- **Prep enrolment interviews** – Monday 15 August to Friday 26 August

**2016 School Fees**

Unless you organised a payment plan at the beginning of this year, the 2016 school fees should have been paid by now. Reminder letters will be sent home this week. Please pay at the office as soon as possible. Follow up phone calls will be made in the next few weeks.

**Banking**

**Caroline Bastow**

**WOW – It’s a huge time for school banking in term 3**

Term 3 is a huge time for School Banking. We are having a Colouring Competition at the Fete. 1st prize is a $50 Gift Card and a Prize Bag. There are also 3 runner up prize bags with money boxes and a prize bag for each year level. Plus the next 130 entries will also receive a gift!!! The colouring competition sheet (The Dollarmites) will be available from your teachers, the office and from the banking staff on Wednesdays up until the Fete from next week. Details of where they can be left will be in the next newsletter so stay posted and get colouring.

For students who open a bank account in Term 3, we have some special fun packs that we have made up to get you started on your School Banking journey. If you wish to open an account come and see the Banking staff on Wednesdays at the Uniform Shop room. Thank you to all those parents who signed up on Under 8’s Day. It was a fantastic response.

**Prize Lights competition.** The Commonwealth Bank Term 3 competition has a sky full of prizes to be won. Just make 3 deposits in Term 3 and you will automatically go into the draw for some great prizes. Visit the link below for more details and activities.

Term 2 also had a fantastic response to School Banking. The two classes with the highest student deposits are PA with 83 deposits and 5B with 47. Congratulations to both classes. Your certificates will be in your pigeon hole. We also received $294.50 in commission that goes back into our school and had 11 new accounts open WOW!! New rewards are also available this Term. They are a Jump & Skip Rope and a Backtrack Eraser Pen. The Pat the Dog bag tag and Wildlife Writers Set are also still available. Keep up the great work and remember to bring in your School Banking deposit every WEDNESDAY.

**Chappy’s Chat**

**John Rutter**

**The Championship quarter**

I am an AFL fan and in that great game, the third quarter is known as the “championship quarter”. And it gets that name because it’s where good teams and players really show their strength to take it up a notch in their effort and endurance and break away from their competition. I think that the third term of the school year can also be like this. It’s a time of the year when you are in full swing, you’re fresh after the half time break, and if you choose, you can bring all the new skills and confidence that you’ve built over the year into this championship term and the competition part is about competing with yourself. Making an effort to keep getting better, whether that’s in completing your homework, listening and engaging in class, being more
inclusive and friendly in the playground or just seeking excellence in your school life. However you choose to invest your time in learning this term, I encourage you to make it great.

For me, we have heaps planned for Chaplaincy this term. I am putting on two new programs this term, ‘Face your Fears’ and also ‘Drumbeat’. Face your fears is an anxiety management program that is a parallel run program for both parents and students that need support in this area. Anxiety is a growing issue in our community but it doesn’t have to limit our lives if we have the skills and understanding on how to manage it. If you are interested in more information on this program, or would like to attend with your child/children, please contact me on johnn@chappy.org.au This will be starting in week 5 of this term.

Drumbeat is a fantastic program that uses a drum circle for building confidence, social cohesion, empathy and communication skills. This will be open for up to 12 participants from grades 4 upwards. Again, please get in contact with me if you would like to be involved.

Thanks!! to all those who enjoyed the Subway lunch on the last day of term 2. Chaplaincy raised $640.00 from that day which is much appreciated.

Finally, the Chaplaincy Committee whom manages the fund-raising and community support for the Chaplaincy program needs active volunteers. Please consider being a part of this long standing program within our School.

See you around our school. Chappy John.

Message from the P&C

Let me introduce you to Sue Adams, Sue has volunteered out BSSS for the last 30 years. Sue has volunteered in a number of roles from Ladies Auxiliary at Preschool holding the role of Secretary. Sue then graduated to helping out the softball team and helping coaching at Little Athletics as well as at the school. Sue also helped out a local Nursing Home as a volunteer bringing joy to the lives of the residents. Sue took on volunteering back at BSSS in the Tuckshop and also helping out in the classrooms. Sue is still volunteering her time in the tuckshop every Wednesday. Sue has found volunteering a rewarding and fun experience with insight into the community in which she lives. The P&C acknowledged Sue this year by awarding her the P&C Life Membership. To this day Sue is still an active member of our P&C. Sue we would like to thank you for your dedication to our wonderful school and the commitment that you have shown and the support you give the P&C over all these years. Thanks Sue you’re amazing.

In other news, the P & C held the Election Day BBQ and raised $913.00, thank you to the volunteers. Thank you also for the great turn out of volunteers on Monday night at the Fete Meeting and P & C Meeting, we can see the strong sense of community.

1. Please note that we are receiving many foreign coins. The bank doesn’t accept foreign coins so at the end of the day the tuckshop loses money. Please use Australian currency. For all those people who collect coins come along to the tuckshop and let’s do a deal.

2. Current Tuckshop Menu is out, dated 11th July. This new menu was distributed to the classes last week. Copies are available from the front office, tuckshop and on the website. Please use the current menu. Thank you.

See you around our school.
Chappy John.
Rydges Raffle

2nd Prize: $300 Bike voucher for Rival Bikes at Capalaba Park Shopping Centre. Please note due to unforeseen circumstances 2nd prize is with Rival Bikes and not with 99 Bikes as advertised on the tickets.

Lost Property

Lost property outside the tuckshop will be cleared on Wednesday the 20th July so please check the lost property. Due to limited space all unclaimed items will be donated to charity on Thursday 21st July.

Uniform Shop News

Second Hand Clothing

We are unable to accept donation at this stage due to the large amount of second hand clothing already on hand. For those people who have handed in second hand clothing please check with the Uniform Shop for your money. We have a large amount of money that hasn’t been collected so at the end of term 3 all monies that are unclaimed will be considered a donation to the P&C.
