Dear Parents/Caregivers

School Captain Speeches

It is that time again when we look to our grade 5 students to take on leadership roles for 2017. The students in the photos on this page are the students who have progressed through the written application and interview process. They have been short listed to give a speech on parade where all students in grades 4 and 5 and staff will be listening closely as to what they have to say, then voting later in the week. The successful candidates will be announced at our final parade this year. Congratulations to all students who applied for the position of School Captain for 2017. All other leadership positions are offered early in the New Year.

Academic Reports

All academic reports will be emailed home as we did in semester one, on Wednesday, 7th of December. Please ensure we have your current email address at the front office to avoid complications.

Academic Awards

At our school, we offer Academic Awards by subject and an overall Dux Award to students in grades 3-6. These awards will be presented at our last parade of the year on Monday, 5th of December. If your child is receiving an award, you will be notified prior, so you may be able to come along and celebrate your child’s achievement.

Grade 6 Graduation Dinner & Plantation Pool Party (PBL Event)

Parents of grade 6 students are asked to remind their child that participation at both of these events is by invitation only to eligible students. Invitations will come home at the end of week 8 and students who choose to demonstrate behaviours that are not in line with our school rules, will not be invited to attend.

PBL Celebration Event

Classes who have achieved the school target of bee hives by the end of the school year, will be invited to participate in our whole school PBL Celebration on Thursday, 8th of December. This year, the PBL committee has again organised a variety of
fun activities for the day, as we celebrate exemplary behaviour over the year, at the class level. Well done to all classes for their achievement in this area over the year. A safe and secure learning environment is crucial in ensuring every child is successful with his/her learning.

**Student Enrolments**

The number of teachers and teacher aides we have in 2017, depends on the number of students enrolled in our school on day 8 of next year. The allocation is formula based so it is crucial we know whether your child is returning in 2017. Please notify the office or your child’s classroom teacher immediately, if you know your child is not going to be at Birkdale South in 2017. Our school enrolments are currently looking solid with an extra class, which means smaller class sizes being a real possibility.

**Grade 6 Camp 2017**

Parents need to be aware that our grade 6 camp to Currumbin is now in term one on Monday 20 February to Friday 24 February (students will participate for 3 days) with the cost for the camp approximately $200.

Yours in Education

**Pre-Prep Program**

For the last 3 years we have run our Pre-Prep program for the 6 months before school begins. The program is possible because of the engagement of local day care centres, parents and our classroom teachers. We endeavour to provide some structure, familiarity and also a range of experiences that will be part of the Prep week. Thanks to all those who have been involved in the program. **This is our last week of library book borrowing.** Below are some examples of the activities Pre-Preps have been involved in.

- **Japanese** – There have been 2 visits with Sensei Ryan and some of our upper school students. At the most recent visit Pre-Preppies were learning the Japanese numbers for 1 to 5 and with their big buddy were making an artefact to be able to take home and remember the experience.

- **PE – PMP** – Mrs Butterworth, Mr J and Mr Pearson have all hosted the children for either a PMP (Perceptual Motor Program) Circuit or a special PE lesson. The Pre-Preppies are becoming very proficient at knowing how to engage in the circuit, the routine and their gross motor skills have been developing along the way.

- **Music** – Thanks to Mrs C the children have been having a range of singing, playing, viewing and performing experiences. Mrs C also hosts the current Prep students each week for an additional music lesson so that their teachers can welcome all of our Pre-Pres to their classrooms. Thanks Mrs C for making music fun!!

- **Library** – Mrs Green is the Literacy Lady in the Library (that’s alliteration). We have been reading big books and picture books, practicing the Concepts of Print (front cover, title, author, title page, word, sentence, top, bottom of page), working on our comprehension (books without words, reading the picture clues, predicting what the book might be about or what might happen next, getting the picture in our head, retelling the book with story maps) and we have been practicing some early reading skills (one to one correspondence – Peter Pointer, recognising repetitive texts, reading from memory of the text, return sweep at the end of a line of text) – all while having fun. Of course there has been reading for enjoyment – exposure to literature and most important of all, getting to know the parts of the library the different types of text and **borrowing** – choosing our own book to take home.

**Inside and Outside at Prep** – Each week children have some time in our outside Prep playground under the supervision of their responsible adults and one of our members of staff, this is also a time to have a snack, go to the toilet and take in the outside environment.

Classroom teachers are involved in a weekly visit. We like all of the children to meet all of the teachers so there will be familiarity with the people and the environment.

All of this planning, community involvement and preparation has the net effect of children coming to school with having had the best possible opportunity to transition successfully to school. Thank you Bay Cottage, Birkdale South Children’s Centre and Little Ducks for your commitment to the program. We greatly appreciate your continued support and involvement.

**Moving Up Day**

Each year we invite our Pre-Prep students to come to school for their second transition day and take the opportunity for each other year level to move up to meet the teachers and go the classrooms for the year ahead. This year, Moving Up Day is on Tuesday 6 December from 9am to 11am. This is also the day when some of our current Year 6 students visit High School.

**Music Program Raffle**

A reminder to drop contributions to be included in the “Showcase Concert” Raffle to Mrs Schenck in the Library. We are hoping to have 3 draws on the night and sell tickets for $1 per ticket or 6 for $5. Looking forward to seeing you all at the Showcase Concert so we can enjoy the students progress in Instrumental Music and Choir groups during 2016.

**iPad Workshop for Parents**

Wednesday 30 November – 9am – 11am: A condensed version of our 3 workshops so far. Please advise the office if you intend coming or BYOpad@birkdalesouthss.eq.edu.au
Wednesday 18 January, 2017 – 9am – 12pm: Making sure parents are ready for school beginning and iPads are prepared – catching up any parents who have been unable to attend previous workshops. Please advise of your attendance by BYOipad@birkdalesouthss.eq.edu.au

Chess News

Birkdale South SS Chess Championships

This year we took 25 students in 6 teams to one competition. As long as we have players keen to play, this game of logic and strategy will continue to be a choice in our school environment.

To encourage chess club members and all students who like a challenge, to experience a chess competition we have run our 2nd annual BSSS Chess Tournament. This year we had competitors from Ormiston College, Bayview SS, Vienna Woods and Hilliard join us – 78 players.

It was lots of FUN! Program Alive ran the competition for us, thank you.

At the end of 8 rounds the following results were recorded:

**Beginners P-3**
- 1st – Bayview SS
- 2nd – Bayview SS
- 3rd - Ruby C BSSS
- 4th – Ormiston College

**Beginners 4-6**
- 1st – Ormiston College
- 2nd – Tyler W – BSSS
- 3rd – Ormiston College
- 4th – Ormiston College

**Novice P-6 (Rated Players)**
- 1st – Ormiston College
- 2nd – He Rou K BSSS
- 3rd – Kai U BSSS
- 4th – Hilliard SS

Overall Birkdale South’s top 4 results pipped Ormiston College by half a point and we retained the cup!!!! Great job team!

Awards were also given to girls, as chess tends to be dominated by boys and we want to encourage the girls to have a go.

The outcome of the Age Champs will be published in our last newsletter for the year.

Gardiner Chess – Brisbane Age Championship

Congratulations to the 14 players who went to BBC on the 10 November to test their skills against the other 350 children who play in this chess competition from the Brisbane area aged from 5 to 18 years of age.

Some notable performances:

He-Rou K (2007) finished in the top 10 in her age group, both girls and boys.

Ryan B and Tobey N (2009) finished 15th and 16th respectively. Tobey N played the No.2 under 10 player in Queensland (unbeknown to him) and gave him a great game, not being fooled by a 4 move checkmate, the game proceeded for some time, this was his first game of the day.

John B (2006) was very pleased with his performance as a relative new comer, he was at one point on a top 5 board and had several wins. Charlotte R (2009) gained lots of confidence and enjoyed the experience.

Everyone did their best, represented their school with pride and came home smiling.

Positive Behaviour for Learning

PBL Team

Congratulations to 3B on becoming the second class to qualify for the end of year reward day. Just a reminder that all classes from Years 1 – 6 have to achieve a total of 8 beehives or 8000 beestings to participate in the end of year reward day. Preps need to achieve a total of 6 beehives as they do not start at the beginning of the year as do other year levels. PBL expectations for last week have been focused on individual class needs so a variety of expectations have been revisited throughout the school.

Individual Curriculum Plans (ICPs)

Individual Curriculum Plans (ICPs) are offered to students who are working more than a year level below or more than a year level above their age appropriate cohort across all strands in any subject area.

A lower level ICP is something we can offer children to help fill any gaps in learning they are experiencing. These ICPs may also assist children with improving their learning confidence and motivation to achieve. For example, a Year 5 student may be on a Year 3 Maths ICP and a Year 2 English ICP.

Furthermore, a higher level ICP may give students an opportunity to extend their knowledge. For example, a Year 4 student may be on a Year 6 Maths ICP.

Being on an ICP means students will be taught at the adjusted year level curriculum, assessed at the adjusted year level curriculum and reported on at the adjusted year level curriculum. ICPs are reviewed at the end of each semester.
ICPs are only offered to students after careful consideration. It is very important for parents to understand, that ICPs do not go ahead without their permission.

Parents will be contacted in the coming weeks regarding ICPs for 2017. Please, if this is you, do not cover or mark any Maths text books so that they can be changed to the appropriate year level text for the 2017 school year.

Lower School – Prep to 3

In Prep D we have literacy rotations 4 mornings per week. During this time we have guided reading and writing lessons and engage in a variety of activities to develop our literacy skills. Here are a few of the activities that we have been doing lately.

Mackenzie and Thomas are doing some “buddy reading”. We have been learning that there are 3 ways that you can read a book; We can read the words, read the pictures or retell a story if we already know it.

Ticks

We currently have perfect weather for ticks. Which means it is time to take preventative measures to avoid TICKS!

We have had a few cases of ticks come through our first aid. Please be aware of ticks and check your body for ticks regularly after being outdoors. The most common areas of the body ticks like to infest include:

- Under the arms
- In and around the ears
- Inside the belly button
- Back of the knees
- In and around the head
- Between the legs
- Around the waist

Avery, Graciella, Sophia-Rose and Mackenzie are retelling the story of Mrs Wishy Washy by acting it out with some stuffed toys. This was a fun lead up activity for our written retell of the story and helped us to develop skills for doing an oral retell and to sequence stories.
Here is the whole class doing some shared reading on the interactive whiteboard. We often do shared reading on the whiteboard but also with big books and story books.

Thomas, Levi, Thomas, Jaxon and Shealy are enjoying listening to a story at the listening post.

On Wednesdays, we go down to the tech lab for our reading rotations and when we are not doing our guided reading, we have an opportunity to work at our own pace through the online Reading Eggs program.

Year 6 Dinner

On Tuesday 8th November 2016, 30 students accompanied by Year 6 teachers Mrs Thomas and Mrs Webster attended a local Japanese restaurant so that students could experience authentic Japanese food as part of their Term 4 studies. *A Big Thanks to Chaplaincy Leaders and Volunteers*

As the school year draws nearer to a close, I wanted to take this opportunity to acknowledge the volunteers, supporters and the student leaders who have served and helped me this year in Chaplaincy. Not only do these wonderful people help share the workload in delivering our school chaplaincy service but I really appreciate the personal support and valuable friendship they have given me. Thank you to the members of the Chaplaincy Committee for their service and support to our school once again this year; to Mrs Barrie and Ms Harvey for running the weekly SUPA club for our students and also the Drumbeat program. I also want to thank the Kids Hope mentors that come to school each week and provide invaluable one on one support and friendship to students; thank you. Finally, thank you to this year’s Chaplaincy student leaders, Luke and Ella from grade 6. I appreciate the help you have provided and for being role models for chaplaincy where you could. I asked you both to be an example of personal growth and doing your best, which you have certainly achieved. Congratulations on your final year at Birkdale South and I look forward to hearing about your future success in high school.

**Christmas Carols Evening**

Please make sure you have scheduled to attend and join in our annual Christmas Carols evening at school. Once again, our wonderful music teacher, Mrs C has prepared our students to lead us in singing some favourite carols and as always will be a great night in preparation for the Christmas Season. Chaplaincy will be serving apple pie and ice cream again this year and thanks to the P&C for hosting the event. I look forward to supporting the boys choir in a leading a couple of the carols and look forward to a wonderful family night as community.

As always, I will see you around our great school, but if you need any help or support before the school year ends, please let me know. I am here to help. Chappy John.

Lost Property

We have lots of lost property, please come to the tuckshop to check the items out. If unclaimed at the end of the term they will be finding a new home.

School Shoes

Athletic Foot at Capalaba and Carindale have supported our school for a number of years. If you buy shoes from Athletic Foot and let the lovely staff know that it is for Birkdale South State School, they give us $5 from that sale. What an easy fundraising event. We use the vouchers this year for the fete in the Cent Auction stall. If you are able to help our school out that would be great. Brochure coming home this week.

Change at Tuckshop

People are asking the tuckshop for change in the morning, the tuckshop float is only between $5 to $7 so we are unable to give change first thing in the morning. If you need change you need to wait until 9.30am, after the tuckshop boxes have come up from the classrooms. Thank you for your understanding.

No Credit Allowed at Tuckshop

No credit will be given under any circumstances. We have a lot of outstanding bills from parents who haven’t paid for lunches. Could you please pay all accounts owing immediately thank you.

We are still receiving foreign coins; Tuckshop only accepts Australian currency only.
