BYOD User Agreement

BYOD User Agreement for duration of enrolment:

Families are in partnership to ensure that iPads are for learning. In order to support the successful integration of iPads as learning tools both students and parents have responsibilities. Please read and sign the following agreement, you will only need to do this **once** over the course of your child's enrolment:

Students will:

- use iPad for learning at school so I will only use SCHOOL APPS while at school
- bring my iPad with 100% battery every day
- not take photos/videos/recordings unless directed by a teacher
- not upload or share any school work unless directed by a teacher
- choose "Always Allow" in the Classroom App, and I **will not** change these settings
- keep my case on my iPad
- leave iPad inside during break times
- keep iPad in my bag before and after school
- use the Cyber High-5
- leave phones and smart watches at the office during the school day.
- follow the "ICT Acceptable Use Policy"

not follow these rules I understand that:

- my parents may be notified.
- I may lose the privilege of using my iPad at school for a period of time and I will still need to complete my school work in other ways.
- the BSSS Student Code of Conduct will be used to inform any necessary consequences.
